## IZVOĐENJE VJEŽBE

1.

The image shows two side-by-side screenshots of a web application interface. Each screenshot features a sidebar on the left with a list of CSS topics: CSS Selectors, CSS How To..., CSS Background, CSS Border, CSS Margin, CSS Padding, CSS Height/Width, and CSS Box Model (checked). Below the sidebar, there is a list of exercises: Exercise 1, Exercise 2, Exercise 3, and Exercise 4 (highlighted in green). At the bottom of the sidebar, there is a link: [Go to CSS Box Model Tutorial](#). The main content area of each screenshot displays the text 'Exercise:' followed by the user's name (Marko Sesar on the left, Josip Sremić on the right). Below the name, a large green box contains the text 'Correct!' and a 'Next >' button. At the top of each screenshot, it says 'Completed 7 of 138 Exercises:'.
